CCTST Regulatory Forum May 26

Navigating New Mandates: Seeking Safe Harbor is the focus of the next CCTST Regulatory Forum, Thursday May 26 from 12-2 PM in Room 5051 of the UC Medical Sciences Building (MSB).

Topics will include Sunshine Act reporting requirements, clinicaltrials.gov, reproducible research, and data sharing/public access to information. The session will be moderated by **Jane Strasser, PhD**, Research Integrity Officer and Associate Vice President, UC.

Panelists include:

- **Rita Alloway, PharmD, FCCOM**, Professor of Nephrology, UC; Director of Transplant Clinical Research, UC
- **Maurizio Macaluso, MD, DrPH, FACE**, Professor of Pediatrics and Environmental Health, UC; Director, Biostatistics & Epidemiology, CCHMC
- **Eileen King, PhD**, Associate Professor, Biostatistics & Epidemiology, CCHMC
- **Leslie Schick, MSLS**, Associate Dean, Library Services, UC; Director, Harrison Health Sciences Library, UC
- **Opeolu Adeoye, MD, MS, FACEP, FAHA**, Associate Professor, Emergency Medicine, UC; Co-Director, UC Stroke Team

Registration not required. Brown bag lunches are welcome. Can't make it to the Forum? A recording will be [available here](#).

Congratulations Community Leaders Institute Grads!

The CCTST's 6 session spring CLI series was completed by 20 leaders, including 12 representatives of community organizations, 3 community health advocates and 5 individuals auditing the class.

The program builds research and capacity-building competencies in community leaders and physicians to address health disparities. Watch for details on our next series!

[Class photo, roster and more information](#)

For additional details, see the poster linked below which was presented at the conference [Translational Science 2016](#) in Washington, DC, April 13-15.
