Research Week events offering CME credit:

- April 18, 2016, 4-5:30pm, MSB E-351- “More COX than Clocks; Adventures in Translational Science” by Garret A. FitzGerald, MD, FRS
- April 19, 2016, 8-9am, MSB 5051- “The Social Context of Health: A Tale of Two Americas-Separate and Unequal” by Victor Garcia, MD, FACS, FAAP
- April 20, 2016, 4-5:30pm, Kresge Auditorium- “Assisted Circulation Perspectives: Origin, Status, and Prospects” by John T. Watson, PhD
- April 21, 2016, 12-1pm, MSB 5051- “Race/Ethnicity and Translational Medicine: the Power of Diversity” by Keith Norris, MD, PhD
- April 22, 2016, 12-1:30pm, MSB 5051, “Far from the Bedside: Is Consent Necessary for Research with Biospecimens?” by Jeffrey R. Botkin, MD, MPH

Objectives of the week:

- Gather an understanding of health related research accomplishments at the University of Cincinnati and academic health partners
- Develop an understanding of new innovations in the field of entrepreneurialism and technology in health research
- Develop an awareness of health disparities across the lifespan
- Relate the information learned in the program into their practical settings
- Collaborate with professionals to develop Team Science!

The University of Cincinnati is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. The University of Cincinnati designates this live activity for a maximum of 5.5 AMA PRA Category 1 Credit(s) ™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
