Compassionate Use: The Ethics and Logistics of Using Investigational Medical Products Outside of Clinical Trials

Alison Bateman-House, PhD, MPH, MA
Assistant Professor
Division of Medical Ethics
NYU Langone Health

Objectives

1. Explain the process of requesting non-trial use of an investigational medical product (aka compassionate use).
2. Discuss the recent legislative and regulatory shifts that are impacting companies’ willingness to provide non-trial access to their investigational medical products.
3. Describe the challenges that compassionate use poses for clinicians, investigators, companies, patient advocacy groups, regulators, and investors.

Target audience: physicians, other health practitioners, researchers, community health advocates.

The University of Cincinnati is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The University of Cincinnati designates this live activity for a maximum of 1 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Register for lunch by March 13. Details: cctst.uc.edu
